

[NO] MEN'S REGRETS CONFERENCE

FEBRUARY 6, 2021

WE STREAM IT.
YOU HOST IT.
MENS LIVES
CHANGED.

THESE ARE
UNPRECEDENTED
TIMES
WE ARE LIVING IN.

Times that call for
**MEN TO BE
COURAGEOUS...**

to courageously follow Jesus,
and live, love and lead like Jesus,
in their homes, workplaces
and communities.

This February, thousands of men will gather around the world in churches and homes with their small groups and individually, to live stream and experience the **NO REGRETS** Men's Conference. This year the conference will be fully virtual with more speakers and topics to choose from as we offer four streaming channels.

This year's theme is **COURAGEOUS** and if there ever was a time our society needed men of courage, it is today. The No Regrets Virtual Conference will feature world-class speakers and thought leaders along with powerful worship, challenging stories, compelling panel conversations and group discussions.

Won't you join us by hosting this event at your church? You can live stream the event as a large gathering or empower your men to stream to their small groups. It will be a global movement of men who will be renewed, challenged and propelled to become the men of courage God intends them to be.
