REGRETS CONFERENCE**

**FEBRUARY 7, 2026**

**SURRENDER**

**"THEREFORE, I URGE YOU,  
BROTHERS AND SISTERS,  
IN VIEW OF GOD'S MERCY,  
TO OFFER YOUR BODIES  
AS A LIVING SACRIFICE,  
HOLY AND PLEASING TO GOD—  
THIS IS YOUR TRUE  
AND PROPER WORSHIP."**

**(ROMANS 12:1, NIV)**

# WELCOME

## You Did It!

If you are reading this, you are already embodying the theme of this day. Surrender assumes that something that might be good could be replaced by another that is *greater* for a more meaningful and eternal purpose.

Our team has been praying for you for many months, and especially that in the course of today, you would encounter the fullness of what it means to have surrendered living based on our theme verse:

*“Therefore, I urge you, brothers and sisters, in view of God’s mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship.” (Romans 12:1, NIV)*

Over the next few hours, you will be on a pilgrimage that we know will reshape your future, no matter where you are in your faith journey. You will be joined by tens of thousands of others sharing your experience. The greatest decision I would like you to make right now is to surrender a commodity of ultimate value. A commodity that Apple, Google, and Facebook would like to own but is only yours to give... your

## ATTENTION!

We invite you to consider whatever it takes for you to be fully present here, allowing your thoughts, prayers, and decisions to be formed in a way that models after Jesus, our greatest example of practical surrender.

Welcome to the surrendered living journey.

Albo Esilaba

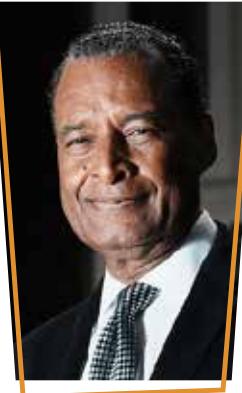

Executive Director, No Regrets Men's Ministry.

# KEYNOTE SESSIONS:

## OPENING SESSION

8:00-9:15 AM

### “Ultimate Surrender” with Kenny Luck

Waving the white flag is either a sign of weakness or strength depending on who you ask. It means you are declaring a real, permanent, and noticeable absence of resistance. Think about it, no man celebrates his surrender to another man. But there is one form of surrender that is celebrated on earth as it is in heaven. It is ultimate surrender—to God alone. This is Jesus. Jesus is in you. Will this be you? *(take notes on page 14)*

## CLOSING SESSION

11:45-1:00 PM

### “Lessons from the Mountaintop” with Chris Brown

I believe that deep inside, each man wants to live a significant life where the people around him are safe and loved. However, it seems like fewer and fewer men are obtaining that life. Our closing session breaks down the fundamental mistake we make as men in pursuing that outcome, and how easily we can redirect our course to achieve it. *(take notes on page 18)*

## EARLY BIRD SEMINARS 7:15-7:45 AM

### “10 Things Every Woman Wants Their Husband to Know” - Colleen Sonderman

Men and women have unique physical, emotional, and relational needs. This seminar will highlight key differences and equip husbands to love their wives in ways that truly resonate with them—strengthening intimacy, communication, and connection.

## CHAPEL

### SEMINAR 1 9:30-10:00 AM

#### WORSHIP CENTER (WC)

### “Dealing with Adversity” - Steve Carter

Every man will taste suffering, adversity and struggle. It's not a question of if you will but when you will. For so many, we are not adequately prepared for what life throws at us. We lack the biblical wisdom to see the adversity before us as an opportunity and invitation to become more Christlike.

#### CHAPEL (CH)

### “Leading Like Jesus” - Steve Sonderman

The world's model of leadership often includes the abuse of power, a better position, demeaning others, and only thinking of oneself. To this Jesus says, “Not so with you.” The leadership Jesus modeled and taught was one of humility, empowering others, sacrifice and being a servant. In this seminar we will examine what it looks like to lead like Jesus.

#### FELLOWSHIP HALL (FH)

### “Parenting Through Seasons” - Bob Merritt

Being a parent is the 2nd hardest thing you will ever do. Parents often say "I just want my kids to be happy" and it makes me crazy. What if we said "I want my kids to be productive, independent and faith-filled?" Because only then, will they be happy. But how?

#### AMPHITHEATER (AM) VIDEO

### “Don’t Follow Your Heart” - Thaddeus Williams

Proverbs 28:26 says it bluntly: “One who trusts in his own heart is a fool. Yet 84 percent of Americans believe the goal of life is to make yourself happy, 86 percent believe you achieve happiness, while over 90 percent believe we must look within for answers. Learn from Dr. Thaddeus Williams how we can be radically counter-cultural by following God's heart instead of our own. **RECOMMENDED FOR YOUNG MEN.**

## **“Being Salt and Light in Your Workplace”**

**- Scott Arbeiter**

Jesus called his followers the “salt of the earth” and the “light of the world.” But what does that look like in ordinary workplaces today? This seminar will explore practical ways to live out that calling and allow God to make an impact through you.

### **FELLOWSHIP HALL**

## **SEMINAR 2 10:15-10:45 AM**

### **“Biblical Manhood” - Simon Mbevi**

Manhood is a trust given to us by our Father. So, what is biblical manhood? What are the building blocks of essential masculinity as defined by God, and not by culture or personal experiences? How can we as men fully appreciate, embrace, and live out God’s dream for masculinity? We can, drawing from the lives of both Joseph and Jesus, clarify, claim, and commit to true masculinity.

### **“Why Christ?” - Chris Brown**

Have you ever wondered why men tend not to do Christianity well, or why we seem to be one step away from spiritual growth yet never achieve it? This seminar will help us put the pieces together and realize why we just might be a whole lot closer than we thought.

**RECOMMENDED FOR YOUNG MEN.**

### **“Giving and Receiving Forgiveness” - Steve Carter**

Has someone ever done something to you that you just couldn’t seem to let go? It lives rent free in your heart and any time that person, place, job, or experience comes to mind you are flooded with this visceral angst within. Or maybe it is a decision you once made that you regret. God never wanted us to live this way. One of the great gifts God graced us with is the art of forgiveness.

### **“Moving Beyond Childish Things”**

**- A.R. Bernard**

Maturity is not an event—it’s a process of transformation. Every man must outgrow childish ways of thinking and reacting. God doesn’t give maturity; He grows it through experience, discipline, and responsibility.

## **“Anxiety and Depression” - Dr. Dan Green**

Anxiety and depression are real struggles for many men today. This session will examine these challenges through physical, psychological, social, and spiritual lenses. We’ll explore how biblical figures coped with similar battles and consider practical ways to live faithfully and well. Attendees will gain insight into drawing strength from God’s gifts and finding hope in the midst of hardship.

**B223-B226**

## **SEMINAR 3 11:00-11:30 AM**

### **“I Do’ for Life” - Bob Merritt**

What do you do when your marriage has become dull and routine? Or worse, when the tension is so thick that every little thing turns into a hate-filled fight? There are 4 non-negotiables that every marriage needs to restore the passion you once had.

### **“Faith and Work” - Kenny Luck**

God says that your work spaces and places are not your choosing, they are God’s specific choosing. We don’t choose our bosses, he assigns them. In fact, no deal or paycheck is ours either, they are his doing! Throw in your work skills and mind too! The King and His Kingdom have an agenda at your space and place of work because you are there. There is no separation. How do you see it?

### **“Temptations Men Face” - Simon Mbevi**

How can we, as God’s men, understand and overcome the temptations the enemy within and without presents to us? Where is the enemy likely to get us and entice us to compromise the glory of our masculinity? We have victory in Christ, but only to the extent that we surrender our bodies, souls, and spirits to the power of the Holy Spirit.

**RECOMMENDED FOR YOUNG MEN.**

### **“Living Out Your Faith in Your Community”**

**- Jonathan Misirian**

One of the best ways to witness for Christ is by living authentically in your community. This session will help you identify how God uniquely wired you and encourage you to lean into those strengths—so you can live out your faith in a way that draws others to Jesus.

**B231-232**

**“Starting Spiritual Conversations” - Nate Gruber**

**MEN'S MINISTRY TRACK**

Addictions—whether to substances, activities, or relationships—may look different, but they follow similar patterns. This seminar will examine the roots of addiction and offer practical steps toward healing, freedom, and hope through God's grace and the support of community.

**“Getting Started in the Bible” - Brian Sonderman**

You don't have to be a Bible expert to read Scripture in a meaningful way. In this seminar, we'll talk honestly about why the Bible matters, common struggles men face in engaging it, and simple, practical steps to make God's Word a regular part of your life.

**“Starting Small Groups” - Troy Thomas**

The ideal place for a man to grow spiritually is in community—specifically in a small group of men. Many churches have men eager to join groups but few leaders to guide them.
